Live fully as God's Beloved!
School Thrust 2017-2018

February 5, 2018

Dear Parents and Guardians:

Good day! The school has opened admissions of new students in all levels. We are working to increase the student population in two levels: Grade 5 and Grade 11. The Grade 4 class that will move up to Grade 5 next school year currently has 28 students, and the number of students has been steadily increasing since we opened this class two years ago. The Grade 11 level is open to new students who are interested in the school's enriched Senior High School program. We ask for your help in building up these levels.

- **Grade 5 applicants will not be charged Admissions fees.** A **20% discount in tuition** will be given to accepted applicants.
- **Discounts will also be given to parents of current students who will make successful referrals of Grade 5 and Grade 11 applicants.**

The guidelines are as follows:

1. Parents will be given a 5% discount in the tuition fee of their daughter if their referred Grade 5 or Grade 11 applicant passes and enrolls in AA in SY 2018-2019.
2. If they have successfully referred more than one (1) Grade 5 or Grade 11 applicant, the discount may be applied to their other daughters. A maximum of two (2) successful referrals only can be credited to a family. Credit for a third successful referral cannot be transferred to another family.

For **Senior High School**, Assumption Antipolo will offer the **General Academic Strand** of the Academic Track with the following **elective clusters**: ABM (Accountancy, Business, and Management), STEM (Science, Technology, Engineering, and Mathematics), HUMSS (Humanities and Social Sciences), and Arts and Design.

The Admissions procedure and admissions requirements can be found in the school's official website and Facebook page: www.assumptionantipolo.edu.ph

We hope for your support in telling your family, friends, neighbors, and co-workers about Assumption Antipolo's admissions for Grade 5 and Grade 11.

All for Jesus,
