Dear Parents and Guardians:

The **Seniors' Retreat** is a vital aspect of our students' faith and character formation. It is an opportunity for your daughters to pray and discern as they prepare to make decisions regarding their mission in life, in the context of their Assumption transformative education.

We hope that the week's experiences will lead them to deeper reflection and an authentic renewal of faith. Thus, we invite you to help prepare your daughter by discussing with her the retreat's importance and value.

Please refer to the **schedule** and other practical details on the back of this letter.

*Please see next page.*
