December 3, 2018

Dear Parents and Guardians,

Greetings of Peace!

As part of Assumption Antipolo's commitment to build a strong home-school partnership, the Guidance Center organizes parenting talks that aim to help parents deal with developmental needs and issues of their children. For this year, the parenting talk for Grades 7, 8 and 9 will be held on **Saturday, December 15, 2018 from 8:00 to 11:30 am at the Mini-Theater.**

Our resource speaker, Mrs. Erlinda Cuisia-Cruz, M.D., a specialist in adolescent medicine from The Medical City will give a talk entitled **Mental Health for Adolescents.** The talk intends to provide preventive measures in the light of the growing mental health cases among teens. The guidance counselors/associates will also share the result of the latest Needs Survey given to your daughters.

We look forward to your presence in this activity as we continue to partner for the best interest of your daughter. Please be guided by the program printed at the back of this sheet.

Sincerely

*for: Josephine P. Valencia*
