Dear Parents and Guardians:

Greetings of Peace!

This year's Alay Kapwa at Kalikasan activity of the Grade 8 students is the Mini-immersion with the farmers of Sitio Boso-Boso, San Jose, Antipolo City. They will be given opportunities to bond with their farmer-partners through various farm activities. Most importantly, the activity aims to open the minds of students to the realities faced by small-scale farmers and engage them in recognizing the dignity of manual labor and caring for the land through Earth-friendly farming methods. This is also a chance for them to strengthen their interpersonal skills. Hopefully, this activity will help them live out the value of simplicity and mindful consumption in their everyday choices.

Please be guided by the following reminders:
