Dear Grade 10 Parents and Guardians:

Good day! This is to inform you that you are eligible to apply your daughter for Senior High School vouchers through the Private Education Assistance Committee (PEAC).

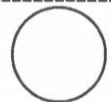

The Department of Education introduced the **Senior High School Voucher Program (SHS VP)** as a mechanism to provide financial assistance to senior high school students. Through the SHS VP, the DepEd engages the private Senior High School providers to enroll qualified voucher recipients. Once qualified voucher applicants are enrolled in private Senior High School providers, the DepEd will provide assistance to these students through a **voucher subsidy paid to the private Senior High School provider.**

Assumption Antipolo students finishing Grade 10 by April 2019 are qualified voucher applicants. Since our students are not yet pre-qualified as beneficiaries of the SHS VP this coming school year, they would need to undergo an application and screening process.

Applicants may register through the PEAC Online Voucher Application Portal at ovap.deped.gov.ph within the application period.

Please see next page.
