Dear Grade 12 Parents and Guardians,

Christ's PEACE be with you!

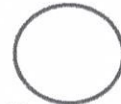

Thank you for your untiring support and involvement in your daughter's school activities during her last year here in Assumption Antipolo. The success of the level's different activities and Alay Kapwa projects would not have been possible without your guidance, encouragement and assistance. Through these experiences of working together to accomplish their goals, the Seniors have learned values and life skills which they will carry with them as they set forth to college.

The Seniors are now in the final phase of completing their academic requirements and clearance from school officials and teachers. They are expected to finish all projects and tests, as well as settle outstanding accounts. We appreciate your assistance in facilitating these matters.

We would like to once again inform you of the calendar of activities and special events for our Grade 12 during this month of March until April. Please take note that **ALL DAYS** in the month of March until their Graduation will be considered regular school days. **PERFECT ATTENDANCE** will be required of them.

Please see next page.

**PLEASE DO NOT SCHEDULE medical or dental appointments, family gatherings, or trips on these dates and especially during the graduation practices and the day of the general rehearsal. Please be reminded that you have signed a conforme regarding this at the beginning of the school year.**

One of the activities that they are required to attend is the St. Marie Eugenie Recollection scheduled on March 16, Saturday, from 8am-12nn. This recollection aims to make St. Marie Eugenie's life more relevant to the students especially as they face the realities of our times. We are hoping that through a deeper understanding of her life and mission, the students may be able to live a life of faith intended only for the extension of God's kingdom here on earth. We are hoping that they may be inspired by the ideals of our dear foundress to use their profession or career as a means to effect change in society and to make a difference in the world.

We count on you to make the necessary arrangements for your daughter's transportation on this day and especially during the dates of the graduation practices. Thank you and God bless you always.

Sincerely yours,

  
Mrs. Michelle B. Ayuro
