Dear Parents and Guardians,

Greetings of Peace!

As part of Assumption Antipolo's commitment to build a strong home-school partnership, the Guidance Center organizes parenting talks that aim to help parents deal with developmental needs and issues of their children. For this year, the parenting talk for Grades 4, 5 and 6 will be held on **Saturday, February 9, 2019 from 8:00 to 11:30 am at the Mini-Theater.**

We invited a clinical psychologist who will speak about "Nurturing Resiliency of Tweens". The talk will focus on the developmental challenges in the puberty stage, current issues affecting their healthy development, and the role of parents in fostering well-being and promoting resiliency in children.

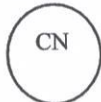

We look forward to your presence in this activity as we continue to partner for the best interest of your daughters. To help you maximize the learning opportunity during the parenting talk, please refrain from bringing your children.

Sincerely,

Mrs. Josephine P. Valencia
Guidance Center Head
