Dear Parents and Guardians:

A blessed advent season!

December is the month of the Mystery of Incarnation and our celebration of the Advent season as a community. We take this opportunity in strengthening among our students the spirit of generosity and value for social responsibility. To celebrate the Christmas season in a more meaningful way, we have the *Handog Pasasalamat Activity*, an alternative Christmas celebration with their year-long counterparts from their Alay Kapwa at Kalikasan interactions/immersions. It is our simple way of sharing our blessings and spreading the joy of Christmas to our partners in the different communities for being part of our program.

The students were asked at the beginning of this quarter to save a portion of their allowance or money for the Christmas package that they will share with their chosen partners. In other grade levels, the students will be asked to bring the contents of their Christmas package or food contribution for their partners.

Please refer to the schedule:
