School Thrust 2019-2020

November 15, 2019

Dear Parents and Guardians,

Mental health concern among young people has never been as grave as it is today. With the Guidance Center in the forefront, Assumption Antipolo has aptly adapted concrete measures to ensure the well-being of our students. Part of these measures is an active mental health awareness campaign for all members of the school community. In this light, this school year's Parenting Talk has the theme "Parenting and Mental Health."

The talk is scheduled on November 30, 2019, Saturday, 8:00 to 11:30 am and will feature two simultaneous talks, namely:

Parenting Talk #1: Lifeline: Nurturing A Child's Mental Health Through Parenting

Speaker: Dr. Grace Brillantes - Evangelista, Ph. D. (Clinical Psychologist)

Venue: Mini-Theater

Target Participants: Preschool and Elementary parents

Parenting Talk #2: Understanding Mental Health in Adolescents

Speaker: Dr. Erlinda Susan Cuisia - Cruz, M.D. (Adolescent Medicine Specialist)

Venue: High School Penthouse

We highly encourage you to participate in this activity. You may also bring along other significant adults in the life of your child/children.
