Dear Parents and Guardians:

Greetings of Peace!

The annual **Medical-Dental Mission** of the Alay Kapwa at Kalikasan Department is scheduled on **October 7, 2018 from 8 a.m. – 12 noon** at the Multi-Purpose Building. This is our concrete response to the call of service to our surrounding communities. This project is closely coordinated with the Family Council, Faculty and Staff, and spearheaded by the Grade 11 students. Other organizations also take part in this outreach activity.

We would like to invite you to this worthwhile endeavor by being a part of our medical team: as **doctor, dentist, nurse, or pharmacist**. Since we serve more than 1,000 residents every year, there is always a need for more volunteers. May we also ask that you bring your own equipment (stethoscope and sphygmomanometer) for we may not have enough to lend out to all our volunteers. Should there be a need for setting up electrical equipment, please advise us as soon as possible so we can make prior arrangements.

Another way of helping is by giving cash donations. While we welcome medicine donations, doctor volunteers in the past have recommended that we dispense medicines, vitamins and antibiotics of the same generic brand for more effective results. We hope that you will be generous in sharing your blessings.

Thank you for your support to this worthwhile activity.

May God bless you.

Please see next page.
