Live Fully as God's Beloved!
School Thrust 2017-2018

January 10, 2018

Dear Parents and Guardians,

Greetings of peace this New Year!

In preparation for the next school year 2018-2019, there is a need for the Administration to know the number of incoming students to determine the number of sections. This information will also be the basis for the screening and hiring of the best possible teachers for the students. Training of teachers will begin before the end of the current school year.

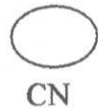

In connection to this, we request your strict compliance to the Reservation Procedure. Below are the guidelines. Please read carefully.

1. Only students who have reserved will be allowed early enrolment (April 28, 2018) or to enroll on the regular enrolment days for School Year 2018-2019. After **the regular enrolment days, the school may close enrolment in the elementary or high school level.**
2. If there are still slots available after the regular enrolment days, enrollees will be accommodated on a **FIRST-COME-FIRST-SERVED BASIS.**

Please see next page.
