School Thrust 2018-2019

Dear Parents and Guardians,

Greetings of Peace!

As part of Assumption Antipolo's commitment to build a strong home-school partnership, the Guidance Center organizes parenting talks that aim to help parents deal with developmental needs and issues of their children according to their age/grade levels. For this year, the parenting talk for Grades 1, 2 and 3 will be held on **Saturday, November 10, 2018 from 8:00 to 11:30 am at the Mini-Theater.**

We are glad to inform you that our resource speaker, Mr. Jerris Jurisprudencia, Ph.D., a clinical psychologist, play therapist, and educator will give a talk entitled "Nurturing Mental Health through Positive Discipline". Together with his wife who is also a teacher, they will highlight the importance of parental discipline in the development of resilience as safety net in the light of the rising mental health cases among the youth. Their talk and sharing are based on current theories and researches, clinical practice and their life experiences as educators and parents.

We look forward to your presence in this activity as we continue to partner for the best interest of your daughters. Please refrain from bringing your children so you can maximize the learning opportunity during the parenting talk.

Sincerely,

Mrs. Josephine P. Valencia
Guidance Center Head
