

VISION

A Christ-centered school community growing in the love and friendship of Jesus Christ in His Church and striving for peace in the social and ecological order

**ASSUMPTION ANTIPOLO**

Sumulong Highway,
Antipolo City

MISSION

We, in Basic Education, commit ourselves - to Transformative Education as a Christ-centered school community dedicated to the integral formation of persons empowered to promote justice, peace, care for creation, and solidarity.

Serve joyfully with boundless love.
School Thrust 2019-2020

January 27, 2020

Dear Parents and Guardians,

Greetings!

Part of the science curriculum of Assumption Antipolo is to provide experiences that would allow the students to appreciate nature and realize the importance of conserving and preserving our natural resources. In line with this objective, the Grade 10 students will have their BIOLOGY TRIP on February 20 to 21, 2020 (Thursday and Friday) at Adventure Beach Waterpark and Camayan Beach Resort and Hotel, Subic Bay, Zambales.

This is an activity integrated with other subject areas like Technology and Livelihood Education (TLE) and Alay Kapwa at Kalikasan (AKK). A fee of Php 2,900 which was included in the Grade 10 tuition will cover all the expenses such as fees for the bus rental, toll, facilities entrance, and other miscellaneous expenses.

The following are the things your daughters need to bring:

- | | |
|---|---|
| <input type="checkbox"/> tent and grill (per group) | <input type="checkbox"/> snacks, lunch (placed in recyclable/reusable containers), water for drinking |
| <input type="checkbox"/> aqua shoes or old sneakers | <input type="checkbox"/> trash bag (2 per section: biodegradable for leftovers and non-biodegradable) |
| <input type="checkbox"/> AA swimsuit and board shorts | <input type="checkbox"/> personal medicines |
| <input type="checkbox"/> rash guard or leggings and long-sleeved shirt | <input type="checkbox"/> health maintenance organization (HMO) card (if any) |
| <input type="checkbox"/> extra clothes (any AA shirt) | <input type="checkbox"/> toiletries including a hand sanitizer |
| <input type="checkbox"/> snorkel and mask (optional) | <input type="checkbox"/> towel, cap |
| <input type="checkbox"/> sun block, insect repellent, petroleum jelly | |
| <input type="checkbox"/> underwater camera or underwater case for camera or phone (1 per group) | |

The trip is an overnight activity, expected to commence upon leaving the school at exactly **4:00 AM** on the 20th of February 2020. They are expected to arrive at Assumption Antipolo on the 21st at **4:00 PM**. For security reasons, all students will only be picked up at school.

We want to provide the students with opportunities to be more independent and self-reliant. **Hence, we encourage the parents to allow their daughters to be on their own for this activity.** Communication will only be allowed on February 20, 9:00AM and 10:00 PM, and on February 21 at 10:00 AM onwards. We assure you that teacher chaperones will be present at all times to supervise all the activities with the students.

Thank you for your continued support.

Please see next page.
