School Thrust 2019-2020

July 3, 2019

Dear Parents and Guardians:

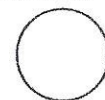

The **Seniors' Inculturation and Retreat** is a vital aspect of our students' faith and character formation. The inculturation is an exposure activity for your daughters to the realities of poor and marginalized groups such as the Cordilleran farmers and students of St. Martin School. The retreat is an opportunity for them to share their significant experiences of boundless love, listen to God in prayer, and discern as they prepare to make decisions regarding their mission in life, in the context of their Assumption transformative education.

We hope that the week's experiences will lead them to deeper reflection and an authentic renewal of faith. Thus, we invite you to help prepare your daughter by discussing with her the inculturation and retreat's immeasurable value.

Please refer to the **schedule** and other practical details on the back of this letter.

Please see next page.
