School Thrust 2018-2019

March 18, 2019

Dear Parents and Guardians,

The end of the school year is fast approaching and with this comes plans for the summer. While the students are on vacation, it is a good idea to encourage them to engage in worthwhile activities which not only serve as recreation but also help them develop their abilities. In line with this, Assumption Antipolo's English, Filipino, and SHS Social Sciences and Literature departments are promoting the **Summer Home Reading Program**. This aims to help students become independent learners by instilling in them a love for reading through interesting and level-appropriate materials.

Attached is the list of books that includes best sellers, classics, popular literature, and award winners. Incoming Grade 1 to Grade 10 students are required to finish **one (1) English book and one (1) Filipino book or selection** from the list. Incoming Grade 11 and Grade 12 students are required to read **one (1) book or selection** from the list. Guide questions are also given to aid the students in identifying the key details of what they have read. When students come back to school in June, **book talks** will be conducted in class to provide students the venue to share about the books they have read.

Thank you for supporting us in our mission to raise avid and successful readers. ALL FOR JESUS!

Yours in St. Marie Eugenie of Jesus,
