The highlight of this event is a post-Valentine's picnic entitled *Green, Green Grass of JOY*. This activity will allow you, our dear preschool parents and guardians, to go on a special date with your child. Each child may bring along up to two adult companions for this exciting event. Together with your daughters, you will go through different picnic stations and help each other accomplish fun activities that the Preschool Teachers have prepared especially for you.

For this activity, our Preschoolers are requested to *bring picnic mats/blankets and a picnic basket/bag with eating utensils, and food and beverage enough for companion/s and child*. Remember to use eco-friendly containers as we aim to keep this a zero-waste activity.

We are very hopeful that this extraordinary activity would give our preschoolers and their families a wonderful opportunity to form deeper and more meaningful loving relationships. Let us continue to work together in providing learning experiences that let the children experience the JOY of learning.

We look forward to your usual support. Thank you very much!

All for Jesus,

TEACHER JOEY S.D. LERIOS
Preschool Team Leader
